# FAQ

Here are just some of the more frequently asked questions.

**1. Do I need a Visa when traveling to Italy?**

American and Canadian citizens and most western countries need only a passport when visiting Italy. Your passport must be valid for a minimum of 6 months from the date you depart Italy.

**2. How large are our tour groups?**

We provide a small intimate pilgrimage group experience with 25-46 pilgrims.

**3. Are your tour groups Catholics?**

Yes. Our mission is to travel together as brothers and sisters united in the Divine Will and the One Roman Catholic and Apostolic Church.

**4. Can I travel alone?**

Yes. Single travelers pay the single rate for the hotel accommodation. There are limited single spaces.

**5. May I request a roommate?**

Yes. If you would like to share accommodation you may request a roommate. A roommate match will be attempted but cannot be guaranteed.

**6. What is the weather like in Italy and when is the best time to visit?**

The best time to visit Italy is typically during the spring (April to May) and autumn (September to October) seasons. During these months, you'll experience pleasant weather, fewer crowds, and lower prices compared to the busy summer months.

**7. What should I wear?**

Bring a light jacket or a trench coat for cooler mornings and evenings. Jeans or casual pants are great for walking around cities. Pack a reliable rain jacket and a travel umbrella.

Some religious sites require long pants for men and clothing that covers the shoulders and knees for women. FIAT Pilgrimages and Travel escorted tours require a lot of walking therefore bring comfortable shoes and sun protection including a hat, sunscreen lotion, and sunglasses. You can also bring a backpack to help you carry day-to-day touring items you may need including bottled water and sun protection already mentioned.

**8. How connected will I be in Italy?**

Most hotels in Italy offer Wi-Fi for guests for free and or customary price. Many cafes and restaurants provide complementary Wi-Fi service. If you have an international plan, your cell phone may work in Italy, please check with your local provider.

**9. How much money should I bring on the pilgrimage?**

The amount of money you should bring depends on your personal needs and preferences. Plan for approximately \$20-\$25 USD per day for lunches and consider additional expenses such as personal purchases and tips. There will also be opportunities to give donations, such as at churches during Mass and at the retreat in Corato, where a donation to the Luisa Piccarreta Association is encouraged to support the Cause for her beatification and the continued promotion of the Divine Will worldwide.

Using a credit card is always an option and avoids carrying large amounts of cash. However, in small towns, local currency will be the preferred method of payment, as many small shops do not accept credit cards. For this reason, it is recommended to carry some cash for such situations.

**10. What should I do if I get separated from the group?**

If you get separated from the group, you will have the contact information for the pilgrimage coordinator. Call them immediately to inform them of your situation. The coordinator will assist you in reuniting with the group. If it is not feasible due to distance or time constraints, you will be instructed to take a taxi or bus back to the hotel or meet the group at the next scheduled meeting point.
