LESSON 1

Introduction to the Divine Will, Its Purpose and Luisa's Role

1. Introduction Videos - Gift of Living in the Divine Will

- **Rev. Father Joseph Iannuzzi** - Studied writings of Luisa Piccarreta and after 10 years, he wrote a doctoral dissertation "The Gift of Living in the Divine Will" in the Writings of Luisa Piccarreta; approved 2012
 - Fr Iannuzzi's Presents the Gift of the Divine Will: <https://vimeo.com/93672606>
 - Steve Faucher presents an Introduction to the DW: <https://youtu.be/sjqavzflFd8>

2. Beginning Our Journey in the Divine Will of God

Who was Luisa Piccarreta?

(Fr Iannuzzi's Divine Will Prayer Book: Pg 710)

- She was a mystic born in Corato, Italy 1865, with no education
- Age 9, after First Communion she hears the voice of God.
- Age 13, she saw 1st vision of Jesus carrying cross. Jesus asks Luisa "O Soul help Me"
- Age 16, she accepts state of victim soul, intermittently confined to bed
She remains in her bed for next 64 yrs, living on Eucharist
- Age 17, she composed Christmas Novena (writings approved by the Church)
She was confined to a bed permanently
- Age 23, she receives 1st Nuptial marriage to Jesus on earth (1888)
- Age 24, she receives 2nd Nuptial marriage, occurring in Heaven (1889)
Receives the gift of Living in DW; Jesus takes possession of her heart
- Age 33, she received 3rd Nuptial marriage, the spiritual marriage of the Cross (1898)
Experiencing the suffering of Jesus, almost continuously. That same year, in obedience to her confessor, Luisa began to write what Jesus tell her.
- Age 35, she receives 4th Nuptial marriage, taking possession of Jesus' heart (1900)
Luisa now lives centered in God's Divine Will, possessing it entirely and completely.
(No other Saint has reached this level)
- Luisa dies on March 4, 1947 of pneumonia.
- Selected by Jesus, from all time to receive the Gift of Living in the Divine Will
- 1994 – Her cause for Beatification is opened; Receives title of "Servant of God".
- Pope John II canonized her spiritual confessor, St. Hannibal de Francia.
- Pope Benedict 16th had Hannibal statue made and placed in the Vatican

Luisa's Writings

- She wrote **36 Volumes**, which Jesus named: 'The Book of Heaven'.
- All the words were dictated by Jesus and Mary. It includes her dialogue with them.
- The Official title of the **"Book of Heaven –The Call of the Creature to the Order, the Place and the Purpose for which He was Created by God"**
 - **Creature** (God sees us as children who are hurting, bleeding and broken from a fall and need to be returned to a loving parent)
 - **Order** (our human will is meant to be animated by God's Divine Will)
 - **Place** (here on earth and eventually in heaven)
 - **Purpose** (we share in God's Divinity like Adam and Eve did before the fall with our human will united to God's Divine Will)

Jesus says "...the primary reason for which I created man was that his will be one with his Creator." Vol 13 Jan 25, 1922

- **Book of Heaven** – It is an instruction manual to learn how to live united to God in His Divine Will so we can be transformed into an exact image of Jesus, to share in God's Divinity, giving God perfect Glory in all we do.
- The content is **VERY IMPORTANT** because it is the fulfillment of the Our Father Prayer. Jesus teaches the Church how mankind can learn about this incredible Gift of Living in the Divine Will, how to grow in it so God's kingdom can come on earth as in heaven.

Luisa's Other Books

- **The Christmas Novena** – A nine-week preparation for Christmas. (Imprimatur)
- **Hours of the Passion** – Meditations of 24 hours of Christ's Passion (Imprimatur)
- **The Virgin in the Kingdom** – 36 Lessons from Our Blessed Mother (Imprimatur)
- **Book of Rounds** – Prayers in the Divine Will
- Luisa's writing totaled 9000+ pages in all (36 volumes, 4 books, hundreds of letters.)
- All the writings of Luisa have been approved by the Vatican.
See Appendix to learn more about the credibility of Luisa's writings.

Why is the Gift of Living in the Divine Will (DW) so important?

- It gives the soul on earth the same interior union with God's Will as the Saints in heaven.
- Jesus tells Luisa that "Living in the Divine Will" is the model that is closest to the blessed in heaven and is as far from doing the Divine Will as heaven is from earth.
- When we are in the Divine Will we share in His Divine Life.
Since God is everywhere, so are we.
- Jesus says that when the predetermined number of acts, as determined by God, are completed in the Divine Will by mankind, **God's Will be done on earth as it is in Heaven.**

Adam and Eve - Before the Fall of Man

- Before Luisa's writings, no one had any knowledge of what took place before the Fall of Man, except that God made man from the earth, and gave him life with His breath.
- In the Book of Heaven, Jesus tells Luisa what took place and what life was like for Adam and Eve before original sin and the Fall of Man.
- In the Garden of Eden, Adam and Eve and **ALL** of creation were living in the DW.
- However, God gave Adam and Eve a will of their own (human will), in addition to the Gift of Living in the Divine Will. Unlike the rest of creation, they had the choice of whether to stay united to God's Will or not.
- In the beginning, Adam and Eve chose to fuse their human will to the DW of God so every breath, every step, every word was done with God's Will, not their human will.
- Since they did everything in the DW, all their actions were Divine, perfect in every way and infinite – just like God's. These perfect actions gave glory back to God.

God gave Adam and Eve special gifts (Preternatural Gifts):

- **Infused knowledge** - Possessing and knowing everything – they knew why God made the created things, the quality things possessed and how to use them.
- **Immutability** - Never to experience pain, hunger, or unhappiness. Complete happiness.
- **Immortality** - Never to grow old or die. They would live for eternity.
- **Divine integrity** - Everything was in perfect order and harmony, never to want or do anything that isn't good, and from God. They didn't have concupiscence.
- **Bilocation** - When the soul travels from the body, fused with Jesus through time and space

After The Fall of Man

- God intended to test Adam and Eve to see if He could trust them with this Gift.
- Adam and Eve failed the test. They disobeyed God by using their **human will** for the first time outside of the Kingdom of the Divine Will. This conscious act of using their human will apart from God's Will resulted in the fall of man.
- With the loss of the gift, Adam and Eve permanently lost:
 - Divine Will operating in them,
 - Ability to glorify God perfectly
 - All the preternatural gifts (see definitions above)
 - The human will was no longer united with God's Will and over time became tainted due to the consequences of sin.
They could think bad thoughts, want bad things and do bad acts.

- All of nature remained in the Divine Will. Mankind was now in conflict with nature.
 - When they sinned, nature turned against them because they turned against nature. The animals were no longer their friends, vegetation didn't cooperate with them. They were at odds with creation.
- Adam and Eve could only correspond to God with their limited human capacity, not with the unlimited capacity of the Divine Will which they previously enjoyed.
- Now, people only live according to their own human will, separate from God's Will.
- God was unhappy, as the whole purpose of creation was suspended. He could no longer enjoy His creation.
- The Divine Will still controlled man's breath, his heartbeat, and the working of his body. But as far as man's words, thoughts and actions man was on his own. at most, man could only **DO** God's Will with his human will.
- The gift of living in the Divine Will had been lost on man and would not be regained for 6000 years. (4000 yrs from Adam to Jesus, 2000+ yrs from Jesus to today)
- So, God created a backup plan to restore us to His original plan. It requires that God gives us back the Gift of Living in the Divine Will.

The Three FIAT's

- **1st Fiat: Creation**
 - God the Father created the universe (Genesis 1:1-31)
 - Adam and Eve, in the Garden of Eden, lived in God's Divine Will before the fall. Afterwards, they lost the Kingdom of the Divine Will. Their human will was no longer fused with God's Will. No creature could restore this divine gift.
- **2nd Fiat: Redemption**
 - God the Son, Jesus, was born of Mary to Redeem. Mary was selected from all of humanity to be the Mother of God. Through Mary, Jesus offers salvation to the world.
- **3rd Fiat: Sanctification**
 - God selected Luisa Piccarreta from all humanity to deliver the message about the Gift of Living in the Divine Will, which Luisa painstakingly wrote down. Luisa was the first person born in original sin to possess the Gift. She opened the door for the rest of humanity to receive this incredible gift now, **while we are still alive**. The gift of Living in the Divine Will (when fully possessed), offers us the privileges of Heaven while on earth!! Jesus said, **"My daughter, living in My Will is the life that most closely resembles the [life of the] blessed in heaven."** Vol 17, Sept 18, 1924

▪ Purpose of the Gift of The Divine Will

Fr Iannuzzi says the gift is “To restore the union of wills that Adam and Eve enjoyed with God before the fall.” In other words, the gift enables us to fuse our human will to God’s Divine Will. As we grow in this gift, Jesus transforms us into an exact image of Himself, sharing in God’s divinity, living in an intimate relationship with God, loving, adoring, and glorifying Him perfectly in every action.

What is the Gift of Living in the Divine Will?

- It is God’s greatest Gift to mankind.
- It is **not** a devotion, or a movement. It is a journey, a mission.
- The Divine Will is God’s very own Will or Essence, given to mankind to be used for the sole purpose of choosing His Divine Will to animate our human will. We call this “giving up our human will”.
- We unite our human will to the Divine Will in every moment, allowing Jesus to have another life on this earth to continue the work of the Redemption and Sanctification in souls for the glory of the Father.
- It is not about just doing God’s Will, but possessing God’s Will, letting God carry out His own Will, Himself, within you through your consent. This is what Adam was doing up until the Fall, and what Jesus did in His Humanity throughout His whole life while on earth.
- The “Gift” is the loft at the top of the ladder; there is no higher place to go.
- Living in God’s Divine Will is God’s Original Plan for man to return to the place and the purpose for which he was created. In other words, it’s a supernatural gift that gives us a channel to give perfect glory back to God because each act is carried out by God’s Will.
- When we live fully in the Divine Will, prayers are infinitely powerful, lives are full of peace, joy and love, void of fear, complaint, negativity, selfishness, sin and evil that is around us.
- When you are living in the Divine Will, you share in God’s Divine Life. It is the reason why Jesus taught His disciples how to pray **“the Our Father Prayer” - Thy Will be done on earth as it is in Heaven.**
- It is the Fulfillment of the Lord’s Prayer, “Thy Will be done”. Jesus tells Luisa, that when the predetermined number of Acts, as determined by God, are completed in the Divine Will by mankind, God’s Kingdom will come on earth as it is in Heaven.

What Jesus Says about the Divine Will

- “I told you many times that the mission of calling a soul to live in My Will is the greatest one; it is the highest and most sublime call. There is no other call that can match it.”
Vol 14, Aug 23, 1922
- “This Living in My Will is the greatest Gift that I want to give to creatures. My Goodness wants to pour itself out in Love more and more towards My creatures; and now that I have given them everything else – and having nothing more to give them so that I might be loved – I want to give them the Gift of My Will, so that possessing It, they shall Love the great Good that they possess.” Vol 17, Sept 18, 1924
- “Therefore, Living in My Will is the Prodigy of prodigies, it is the Unity of everything, it is to possess everything, to receive and give everything. And since I want to always give to the creature, I ardently yearn for her in My Fiat in order to give her what I want and to fulfill My Desires.”
Vol 33, July 15, 1934

3. Receiving the Gift of Living in the Divine Will

- God will freely give us this Gift
 - All we need is the **DESIRE**. We ask God for His Divine Will to reign in us.
 - We must give up our **human** will, allowing God to animate our actions.
 - We must be in the state of grace.
- Jesus said “... you don’t need paths, nor doors, nor keys to enter into My Divine Will... To enter, creatures need but remove the pebble of their own will... A soul has but to desire it and all is done, my Will assumes all the work...” Vol 12 Feb 16, 1921
- It is important to remember that having desired the Gift after deciding to sacrifice one’s own will, that it is Jesus who does all the work. Only Jesus can do a divine act. We always remain creature.

**THE GOLDEN RULE:
WE DESIRE IT AND JESUS DOES ALL THE WORK**

4. Expectations as We Embrace the Gift of Living in the Divine Will

- Do not be fearful but embrace the Gift of Living in God's Will.
- As you read the Book of Heaven you will experience the supernatural. Know that God can do anything!
- Use your Imagination - remember that nothing is impossible for God.
- You must have perseverance and patience with yourself.
- Think of this as a Mission, a Spiritual Journey, that will guide you on your path to Heaven.
- The teachings given to Luisa by Jesus - are a guide for mankind to follow, to grow and live in the Divine Will of God.
- Much of what you will hear will not be presented at the pulpit.
- You will learn many new and strange words in the Book of Heaven (aka Volumes).
- Jesus will answer all of your questions in time as you continue to read the Volumes. Remember, there are no shortcuts.

5. Mysteries You Will Encounter On Your Journey

- What Adam & Eve did before the "Fall of Man".
- What Jesus did during His 30 years of hidden life.
- What it will be like in Heaven.
- How to avoid purgatory and help save the souls of your loved ones.
- Why suffering is necessary.
- How to deepen your relationship with Christ and grow in virtue.
- Difference between "Doing God's Will", and "Living in God's Divine Will".

Command Prayer: Abba Father, in the name of Jesus, in unity with the Holy Spirit, under the Mantle of Mary, with all the angels and saints, through the intercession of the Servant of God, Luisa Piccarreta, take my humble prayer and make it Your Command, that all will be accomplished and completed in your most Holy Will. We believe, we receive. Fiat! Amen

LESSON 2

Receiving the Gift of the Divine Will

Review of Lesson 1

Luisa Piccarreta:

- She was a mystic, with no education, chosen by Jesus from all time to receive this Gift.
- She was a stigmatist, living only on the Eucharist, confined to her bed for 64 yrs.
- Luisa wrote 36 volumes, dictated by Jesus; God named the volumes “The Book of Heaven”.
- Luisa’s writings have been approved by the Vatican.
- Luisa has the title of “Servant of God”.

Book of Heaven

It is an instruction manual to learn how to live permanently united to God in His Divine Will so we can be transformed into an exact image of Jesus, to share in God’s Divinity, giving God perfect Glory in all we do.

How Adam Gave God Perfect Glory

- God placed within Adam’s human will the Divine Will. The Divine Will “resided” there only because Adam consented to this, allowing himself to be animated by God in every way- in his thoughts, words, glances, steps, actions, heartbeats, etc.
- For this reason, all of Adam’s acts were Divine because the Divinity did everything within him. Adam’s acts were perfect, giving perfect glory and love to God.
- From the moment Adam was created, he could give God a perfect return of love and glory in everything, all of the time, because he possessed the Gift of the Divine Will.

Divine Will

- It is God’s greatest Gift to mankind.
- It is **not** a devotion, or a movement. It is a journey, a mission.
- Purpose of the Gift of the Divine Will is to allow God to receive perfect glory from man.
- When we live fully in the Divine Will, prayers are infinitely powerful, lives are full of peace, joy and love, void of fear, complaint, negativity, selfishness, sin and evil that is around us.
- When you are living in the Divine Will, you share in God’s Divine Life.
- It is the Fulfillment of the Lord’s Prayer, “Thy Will be done”.
- When enough prayers have been prayed in the Divine Will, His Kingdom will come on earth as it is in Heaven.
- Jesus tells us that “Living” in the Divine Will is the model that is closest to the blessed in Heaven and is as distant from “doing” the Divine Will as that of heaven and earth.

2. New Words in the “Book of Heaven”

- **Fiat!** - means God's Will Be Done; not our human will
- **Disposition**- the state of your belief from within your heart (Jesus can read your heart.)
- **Fused with Jesus** -in the DW you are joined with Jesus in mind and spirit as if one
- **Operating in a universal mode** - Luisa operated in this mode disposing the DW

3. Receiving the Gift and Growing in the Divine Will (Fr Iannuzzi's Video)

Step 1: DESIRE for the Gift

- God will freely give us the Gift of His DW. All we need is the firm **DESIRE** and ask Him for His Divine Will to reign in us. We must desire God to perform all our actions in us (think, speak, move, operate, etc.).
- This means we must “give up our human will”, allowing God to animate our actions.
- The moment you firmly desire the gift: The Trinity infuses Its Divine operation in your soul.
 - Father will act through your **WILL**. He will beat in your heart.
 - Jesus will act through your **INTELLECT**. He will flow through your blood.
 - Holy Spirit will act through your **MEMORY**. He will breathe in your lungs.

Step 2: KNOWLEDGE of the Gift

- You must grow in **KNOWLEDGE** about the gift by reading the 36 volumes **diligently**.
* See below **Value of Reading Book of Heaven**
- Jesus gave us the Book of Heaven to learn more about the gift.
- Continuously call the Divine Will into our actions (Act and Rounds).
- As we read, an incredible spiritual transformation will happen as God opens our mind to a deeper understanding of His Divine Will, growing intimately closer to Him.
- Knowledge helps us advance in this Gift.

Step 3: Growing in VIRTUE

- In the beginning, we may go in and out of the Divine Will as we sin and start again.
- You must constantly strive to grow in faith and remain in a state of grace. Both knowledge and **VIRTUE** keep us stable in grace and help us stay living in the Divine Will.

Step 4: LIVE Continuously in God's Divine Will

- Once completely stable in virtue and grace, Luisa reached the center of the Divine Will, never to leave it again.
- This highest state of sanctity has only been reached by a few people (after Luisa) while on earth. All the blessed in Heaven live in the center of the Divine Will.

4. The Value of Reading the Book of Heaven

"I beg you, my children, to read very attentively these pages (of the Book of Heaven) that I am placing before you. If you do this you will feel the need to live in My Will and I will be standing right beside you, touching your mind and your heart so you will understand what you are reading and want the gift of My Divine 'Fiat'." (Words of Jesus, 1925)

"...each time I speak to you, I intend to open a little fountain in your heart; for all my words are fountains that lead to and gosh eternal life. But to form these fountains in your heart, you must do your own part that is, you must masticate these words well, in order to swallow them and open the fountain with you." Vol 13, Oct 13, 1921

"Each time that I speak to you about My Will and you acquire new knowledge, the more value your act has in My will and the greater the riches you acquire." Vol 13, Aug 25, 1921

"Unless one is empty of one's own (human) will, one cannot even have even a partial understanding of my will. The human Will forms clouds between my will and itself." Vol 14, June 23, 1922

"But don't be overwhelmed if you don't understand everything. Be satisfied with living by the light of my truth. That is enough for me." Vol 14, June 23, 1922

5. Attitude for Living in the Divine Will

Desire to Grow

- If you have a strong desire to grow and live in the Divine Will: **Jesus will do all the work.** This is called “The Golden Rule”.
- You must remember to say “**FIAT!**” in all circumstances in our life, which means “Thy will be done; It is God’s Will”. It is your “YES” to God.

Desire to Forget Self

- From the first moment you decide to embrace living in the Divine Will you must learn to forget yourself. Jesus says that there is only one way of achieving this, and that it must be practiced for the rest of your life:

“My daughter, in order for the soul to be able to **forget herself** everything she does or has to do must be done as if I wanted to do it in her. If she prays, she should say: ‘It is Jesus who wants to pray, and I pray together with Him.’ If she works: ‘It is Jesus who wants to work, it is Jesus who wants walk, it is Jesus who wants to eat, who wants to sleep, who wants to get up, who wants to enjoy Himself.’ And it should be like that in everything for the rest of her life, excluding errors. Only in this manner is the soul able to forget herself. For not only will she do everything because I want it, but because I want to do it, she will need Me.”

Vol 11, Aug 14, 1912

Desire to Embrace our “Nothingness”

- We realize that we are nothing but dust and wind.
- We know that all our human efforts are tainted by sin.
- We see our misery, our inability to do a shadow of good without God’s help.
- We accept our brokenness, realizing we must rely completely on His grace to accomplish the smallest things in us.

What Jesus says about our Nothingness:

- **It gives God freedom for the Divine Will to work in our souls.**
” So, after Faith, Hope and Charity, the first development that [God] does is to make known that everything good comes from God, that creatures have nothing of their own but their nothingness, and that this nothingness does nothing other than give Me the freedom to enter into them and do what I want.”
Vol 2, Sept 9, 1899
- **It leads to grace, virtue and the summit of perfection.**
(Jesus) “What is the passport to enter into the kingdom of grace? It is humility. The soul, by always looking at her nothingness and seeing that she is nothing but dust and wind, will place all her trust in grace, so much so, as to make of it her master. And grace, taking dominion over all of the soul, leads her along the path of all virtues, and makes her reach the summit of perfection.”
Vol 3, Jan 31, 1900

What Jesus Says About Our Nothingness: (continued)

- It crushes the head of the devil.
- It gives God a continuous prayer.
- It brings true happiness to souls.

What If I Sin?

- If we sin, we lose the gift of the Divine Will.
- God's Divine Will cannot remain in us when we sin. However, if we make a sincere act of contrition then we can ask Jesus to return the Gift to us, and He will do so.
- Jesus greatly yearns for us to **always** possess this Gift, so He gladly returns the Gift to us. It is only through this Gift that Jesus can ensure a perfect return of love and glory to the Father from within the creature.
- If our sin was of a serious nature – mortal sin – then we would first have to go to the Sacrament of Reconciliation, and then ask Jesus to return the Gift to us.

6. In Summary

As you continue your journey in the Divine Will

- Do not be fearful but embrace the Gift of Living in God's Will.
- You must have perseverance and patience with yourself.
- Just keep reading the volumes and Jesus will answer all your questions.
- In the Divine Will you need to think in terms of the Supernatural - knowing God can do anything.
- Use your imagination - remember that nothing is impossible for God.
- The teachings given to Luisa by Jesus - is the guide for mankind to follow, to grow and live in the Divine Will of God.

Lesson 3: Acts and Rounds

1. Preventive Act

This is a prayer you say at the start of the day when you get up, to commit to set your human will in the Divine Will of God. The Preventive Act is your daily renewal and your desire to make all of your actions flow in God's Will.

Brief Preventive Act

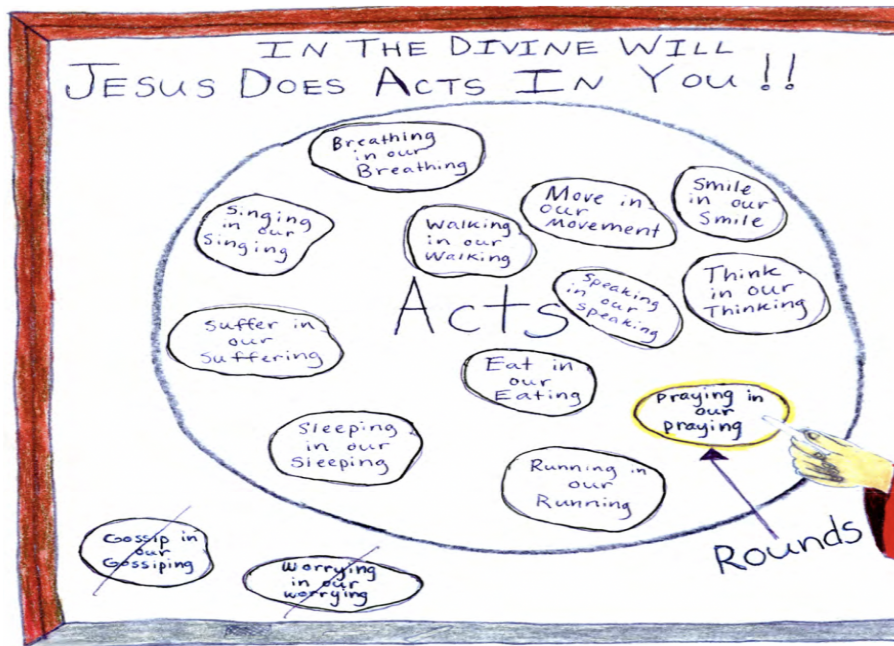

When you first start living in the Divine Will, it may be helpful to call upon the Divine Will many times during the day to renew your desire for the Divine Will to animate your activities. The Brief Preventive Act is a shorter prayer you can say for this purpose.

2. Acts in the Divine Will

(Paraphrased from Drop Book Series)

ACTS are the actions or activity of someone living in the Divine Will

- You can do **Acts** all throughout your day. Acts are also called Divine Acts. Examples of Acts: Breathing, Moving, Thinking, Sleeping, Eating, etc.
- You can't live in the Divine Will if you are not doing the activity.

When we invite Jesus to “Breath in our breathing”, “Dance in our dancing”, “Suffer in our suffering” then it is **JESUS** who is doing the action **IN US** and it becomes a Divine act!

- A Divine act is infinite. Acts have no beginning and no end.
- These infinite Divine acts spread out over all the people on earth and God the Father sees our world more favorably.

A way to grow in the Divine Will is to make Jesus part of everything you do.

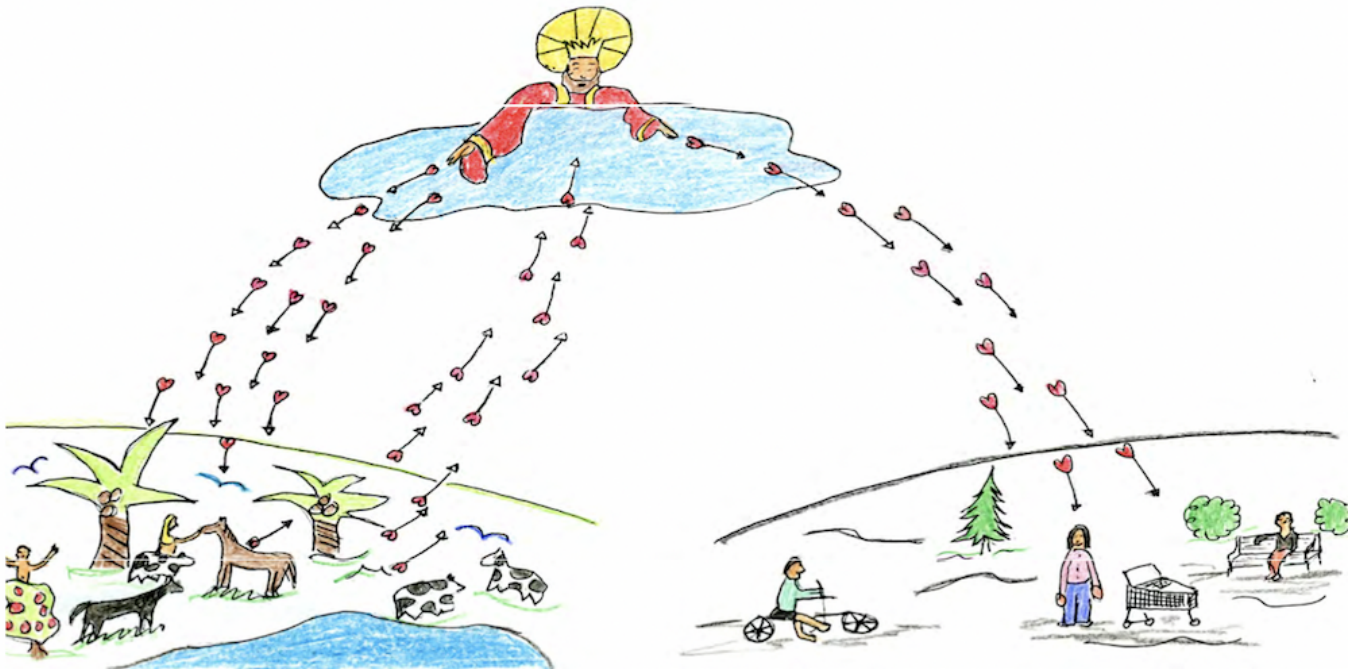

Jesus tells Luisa:

“In order for the soul to be able to forget herself, everything she does must be done as if I wanted to do it in her. If she prays, she should say ‘It is Jesus Who wants to pray, and I pray together with Jesus.’ If she works: ‘It is Jesus Who wants to work; it is Jesus Who wants to walk; Who wants to get up; Who wants to enjoy Himself.”

Vol 11, Aug 14, 1912

- The Acts we do are a continuation of the acts Jesus did while He lived on earth.

3. Rounds in the Divine Will

Garden of Eden

Our World Today

LEFT SIDE OF PICTURE:

Think about what it must have been like for Adam and Eve to live in the Garden of Eden. They were surrounded by the beauty and wonders of creation. They not only knew God had made everything for their enjoyment, but they could feel God's love for them radiating from animals, plants, and all creatures. As God embraced them in His creation, Adam and Eve returned God's love with the use of His Divine Will. In other words, God continuously sent love darts to all of creation and creation returned the love back to God with the use of God's Divine Will since all of creation was living in the Divine Will.

RIGHT SIDE OF PICTURE:

Look at our world today. How many people think about God when a bird sings a song outside their window, when a gentle breeze blows their hair, when the sun warms their face? - very few. The human will and sin have distanced man from God. Man is so far from God that he doesn't feel God's love and so he **gives God no love in return**. For 6,000 years God has been without this exchange of love.

ROUNDS (continued)

- **PRAYERS** that you do in the Divine Will.
We call upon Jesus to pray in our praying.
- Rounds are the prayers that you do in the Divine Will.
- Rounds are special because they are Jesus' prayer.
- We call upon Jesus to pray in our praying.
- We take all the love that God put in creation, fused with His Divine Will it is multiplied to infinity. Then we return that love back to God.
- **A ROUND RETURNS LOVE BACK TO GOD**
- **The purpose of Rounds is to give God all the glory which is due to Him.**
- Those who know the truth and embrace the Divine Will can give this exchange of love for all people past, present, and future with their acts and rounds.

Summary of Acts and Rounds

Once we say our Prevenient Act, inviting Jesus into all our actions throughout your day, every act we do is FUSED with Jesus and now becomes a Divine Act. When we offer these acts up to God, we return love back to Him and give God the glory He deserves.

Essence of the Gift of the Divine Will

The essence of the gift of the Divine Will is that by uniting your human will to the Divine Will in every moment, we allow Jesus to have another life on this earth to continue the work of the Redemption and Sanctification in souls for the glory of the Father.

4. Lesson on Rounds

(from the Drop Book Series)

Since everything is part of creation, the Rounds that you can do are endless.

You can make a Round very **GENERAL**

“I take possession of all the acts (e.g. cleaning, working, etc.) of all people, and I offer them to You Father, with my love for your glory and on behalf of all souls, past, present and future. May your Kingdom come!”

Or You can make a Round very **SPECIFIC**

“I put my voice in all the (birds, raindrops, the grass, etc.) and I have them shout, “I love You, Father, for Your glory, and on behalf of all souls, past, present, and future. May your Kingdom come!?”

When you are “doing rounds” try breaking it down into its parts:

1. Take possession of or put your voice in some part of creation (i.e., birds, flowers, the acts of the saints...).
2. Put your "I love you" in it.
3. Give it to the Father for His Glory.
4. Give it on behalf of all souls, past, present, and future.
5. Ask for the Kingdom to come.

**Always pray for all souls, past, present, and future.
This is the greatest thing you can do to help others.**

How we are able to pray and make reparation for all souls past, present and future?

By fusing with Jesus, He makes our prayers and reparations divine in His divinity for all souls past, present and future.

Example of Rounds (Prayers)

When taking a walk, you pay particular attention to the beauty in nature all around you. You recognize all the love that God placed in the trees with their vibrant foliage, the chirping birds, the beauty of the sun about to set, and the crisp fall air. You take all that love in nature you just witnessed and give it back to God the Father with gratitude from your heart. You decide to thank Him on behalf of everyone (who may not be as grateful or stop to thank Him) for all that He does. You ask that God's Kingdom come. **THAT'S A ROUND!**

Next, you notice an adorable puppy walking beside you. It prompts you to thank God for all the dogs He has ever created, and also for all the crimson and gold leaves on the ground as the puppy playfully rolls in them. You take all this love you see in each created thing and give it back to the Father on behalf of all people, giving Glory to God.

THESE ARE ALL ROUNDS!

(from the Drop Book Series)

A very helpful Round is to pray when you see or hear about someone who is suffering. Maybe you know your neighbor is sick.

Any suffering joined with the cross of Jesus has redemptive power.

The next time you see or hear of someone suffering, make a Round out of it...

“I take the suffering of those afflicted with (Cancer, fear, depression, etc.) and I join their suffering with Jesus' cross. I give it to You, Father, for Your glory, for the reparation of sins of all souls, past, present, and future. May Your Kingdom come.”

No suffering should be wasted because when offered to the Father, it will become a penance for the sins we have all committed and for the souls in purgatory.

When you hear of some tragedy, like someone suffering with cancer, you can pray for that person and their family.

You can always pray to have the Father use the suffering that the person and the family are going through for the good of all souls. God will always answer this prayer.

Example of Acts that we can do: (adapted from the Invocation to the Divine Will)

I am nothing. God is All. **Come Divine Will to:**

- **Think** in my mind
- **Flow** in my blood
- **See** in my eyes
- **Hear** in my ears
- **Talk** in my voices
- **Breath** in my breathing
- **Beat** in my heart
- **Move** in my movements
- **Suffer** in my suffering, and since souls are united to You, let us be Your living crucifixes offered in sacrifice for the Father's glory

6. Practicing Rounds

Use the worksheets on the following two pages to help you create your own Acts and Rounds with all the essential elements:

- **Rounds of Creation: Worksheet**
- **Rounds of Redemption: Worksheet**

7. What Jesus Says About Acts in the Book of Heaven

- “One act done in the Divine Will is so great that its effects ripple and are multiplied for infinity. The act multiplies divinely and does good for all Heaven, earth, Purgatory, and created things. The sun arms the ground and enables a seed to sprout, grow to maturity, produce fruit and seed that then regenerate with new germinating seeds. Thousands and thousands of effects are produced over time. Divine Acts give Jesus the field for new creations, to put His Power in motion, and He infuses His Divine Life in them.”
Vol 13, Dec. 10, 1921
- Jesus calls everyone to be reordered in the Divine Will by fusing all of themselves in His Will. When the creature and creature become one, the creature returns to the origin from which she came. She is perfected and sanctified with Divine Life, just as when the breath of God animated Adam for the first time. Only acts done in the Divine Will enter the sphere of eternity and bring the Creator divine homage and glory. The Trinity waits for souls to fuse and return to Them. Now we are to give God reparation, in the name of all, for the disorder and chaos man has created.
(paraphrased)
Vol 13, Dec. 15, 1921

Rounds of Creation: Worksheet

A ROUND is a circle: WE RECEIVE FROM GOD | RESTORE TO ALL OF CREATION | RETURN TO GOD

Every single thing in God's creation is an 'I love you' from God to us. God created every blade of grass, every snowflake that falls, every twinkle of a star for love of humanity. It is an 'I love you' from the Creator to His beloved creatures. We return that love by consciously saying from our hearts to everything we encounter throughout our day 'I love you too'.

FORMAT:

1. Take possession of OR put your voice in some part of creation. (make it general or specific).
2. Put your "I love you" in it.
3. Give it to the Father for His glory.
4. Give on behalf of all souls past, present and future. Ask for the Kingdom to come.

1) ROUNDS ON BEHALF OF CREATION:

We offer thanks to God on behalf of creation, acting as the voice of creation for God's glory. You fill in the blank and make a round. Select either version or create your own.

Dear Jesus (or Heavenly Father), I take all the love that You put in the (object) and make it my own. I multiply that love to infinity and give it back to You, Jesus to give to the Father for His glory on behalf of all souls past, present and future. May your Kingdom come.

OR

Come Divine Will, I take possession of the (object) and give back to the Father all the love it contains for His glory on behalf of all souls past, present and future so Your Kingdom may come.

2) ROUNDS TO JOIN OUR ACTIONS TO THE DIVINE WILL:

We ask Jesus to do everything in us for each of our actions always in the Divine Will.

Come Holy Trinity
Come Divine Will (pray, speak, drink, etc) in my (praying, speaking, drinking)
Come Abba Father (action) (action)+ing

Take our prayer, words, water and offer it to God the Father with my I LOVE YOU for
(noun)

His Glory as if all creatures had prayed, spoken, drank it. May Your Kingdom come.

Rounds of Redemption: Worksheet

A ROUND is a circle: WE RECEIVE FROM GOD | RESTORE TO ALL OF CREATION | RETURN TO GOD

Every single suffering Jesus experienced in His humanity is an 'I love you' from God to us. We return that 'I love you' from the Creator to His beloved creatures in reparation for sins being committed by humanity to glorify God

FORMAT:

1. In the Divine Will, take possession of any redemptive act of Jesus.
2. Put your "I love you" in it to repair for some sin.
3. Give it to the Father for His glory.
4. Give on behalf of all souls past, present and future.

ROUNDS of Redemption

You fill in the blank and make a round. Select either version or create your own.

Dear Heavenly Father, I fuse myself in the Divine Will. I place my 'I love you' in the (wounds, suffering, sweating blood, carrying the cross, crucifixion, death, resurrection, ascension, etc) and give it to the Father for Your glory in reparation for (some sin) of all souls past, present and future. May Your Kingdom come.

OR

Come Divine Will, I place my love of your (wounds, suffering, sweating blood) and give it to You, Heavenly Father, His glory on behalf of all souls past, present and future so Your Kingdom may come.

Examples:

- Father, I fuse myself in Your Divine Will. And now, I place my 'I love you' on the wounds of Jesus, and I give them to you on behalf of all souls to repair for our sins.
- Come Divine Will, I love Jesus, in all His pains as He was brutally slaughtered for us and I give to God the Father all Jesus' suffering to make reparation on behalf of every soul who ever lived for all the babies murdered in the womb due to abortion.

From the Hours of the Passion:

- Jesus, together with your Mama, I kiss your left foot, asking You to forgive me and all creatures, for all the times we have not walked toward God.
- I kiss your right foot: forgive me and all for all the times we have not followed the perfection You wanted from us.

8. More Examples of Rounds (partly from Drop Book Series: Book 2, page 6)

By offering a certain prayer for every act of your daily routine, your attention will be brought back to Him Who wants to do all these simple acts in you.

- **When dressing**: While dressing in your Will, I call all souls to discard the gloomy garment of sin and to dress themselves in the beautiful and bright garment of your grace of your Holy Divine Will. **We offer this Father, for your Glory, with our love, on behalf of all soul's past, present, and future. May Your Kingdom come.** (Repeat this last line for each of the following.)
- **When brushing your teeth**: While brushing my teeth in your Will, I call all sinners to repentance so that we may brush away their sins. I call chosen souls to greater faithfulness so that we may brush away everything in them that could displease You in the least. Let us prepare the world for the coming of your Kingdom. **We offer this...**
- **When taking a walk**: Lord as we walk, let us walk in your Will above all the acts of all creatures, and cover them with the mantle of your Will. By this means let us make them perfect and complete in the eyes of the Supreme Majesty. **We offer this ...**
- **In my Morning Prayers**: I make my rounds for all the Angels and for all the Saints; I unite myself to all the Heavenly Court, and for each and every one I give an act of love to You. **We offer this ...**
- **In my Morning Prayers**: Approaching Jesus, the **Eternal Word made Man**, I ask Him to make me partake in all His Acts: His Conception, His Birth, His escape into Egypt, His thirty years of Hidden Life, His years of Public Life, His Passion, His Death, His Resurrection and Ascension to Heaven. I make it all mine and offer it to You, O Sacrosanct Trinity. **We offer this ...**

Questions you might be pondering:

- How can you make your prayers multiply in everyone and in all creation?
- How can you take Jesus and Mary's acts and make them your own?
- How can you put your voice in creation?
- How can you take possession of acts done in the past, present and future?
- How can you offer other people's suffering to God?

Those who embrace the Divine Will can give this exchange of love, and make reparations for all people past, present, and future with their acts and rounds. This is how you can put your voice in all creation, take possession of acts, multiply acts to the infinite.

Does this seem impossible to you?

Nothing is impossible for God!

Just say "yes" or "fiat" to everything Jesus wants to do.

Command Prayer

Abba Father, in the name of Jesus, in unity with the Holy Spirit, under the Mantle of Mary, with all the angels and saints, through the intercession of the Servant of God, Luisa Piccarreta, take my humble prayer and make it Your Command, that all will be accomplished and completed in your most Holy Will. We believe, we receive. Fiat! Amen

LESSON 4

Lesson on Fusing in the Divine Will

Review of Lesson 3: Act and Rounds

- **Essence of the gift of the Divine Will:**
We unite your human will to the Divine Will in every moment, allowing Jesus to have another life on this earth to continue the work of the Redemption and Sanctification in souls for the glory of the Father.
- **Each Morning:** Pray your Preventive Act, the daily prayer to commit to setting your human will in the Divine Will of God, thus enabling you to enter into the Divine Will.
- **Acts** are the activity (actions) of someone living in the Divine Will.
- **Rounds** are the prayers that you do in the Divine Will.
Rounds return love back to God. We call upon Jesus to pray in our praying. In the Divine Will:
 - Take possession of or put your voice in some part of creation (i.e., birds, flowers, the acts of the saints...).
 - Put your "I love you" in it.
 - Give it to the Father for His Glory.
 - Give it on behalf of all souls, past, present, and future
 - Ask the Father for His Kingdom to come on earth as in Heaven

Doing Acts and Rounds are **CRITICAL** for those desiring to live in the Divine Will, giving God the love and glory He deserves to hasten the coming of Heaven on earth!

**THE GOLDEN RULE:
WE DESIRE IT AND JESUS DOES ALL THE WORK**

Suggested Preparation for Lesson 4: Read Drop Book Series – Book 3

Lesson on Fusing in the Divine Will

1. Fusing in the Divine Will

DEFINITION: The word *fusing*, in the context of the Divine Will, is a verb meaning to unite yourself so completely to Jesus that you dissolve into Him (like a drop of water in the ocean); you become one with Him and Jesus unites Himself completely to you. It requires us to abandon our human will. Fusing is an act of our will.

You must be fused with Jesus in order to pray your Rounds.

To fuse in the Divine Will we should remember Jesus' instruction to forget self and to come to know our "nothingness". We say, "Jesus wants to pray so I pray with Him."

Jesus gave this lesson to Luisa. Here are the 3 Steps:

"I want to teach you how you must be with Me: **First** you must Enter inside Me, transform yourself into Me, take that which you find in Me. **Second**, once you have filled yourself completely with Me, go out and operate together with me, as if you and I were one single thing, in such a way that if I move, you move as well; if I think, you think of the same thing of which I am thinking – in sum, whatever I do, you do as well. **Third**, with these acts that we have done together, move away from Me from one instant and go into the midst of creatures, giving to all and to each one everything we have done together – that is, giving my divine life to each one and then quickly returning into Me to give Me, in the name of all, all the glory that they should give me, praying, excusing them, repairing, loving."

Vol 8, Feb 9, 1908

STEP 1: Enter inside Me,

(Steps 1-3: Tony Hickey)

Transform yourself into Me,

Take that which you find in Me.

- **Enter inside Me** - We first **desire** to enter or FUSE into Jesus. He brings this about by the *Golden Rule*.

Notice that Jesus did not say "think", but "desire". Thought alone will not do. It is the desire of the heart which ensures living in the Kingdom of the Divine Will.

- **Transform yourself into Me** - We transform ourselves into Him He brings this about by the *Golden Rule*.

As St. Paul said: "Put on Christ", so we do everything as another Jesus, since Jesus is doing everything within us: our thoughts, words, actions, steps, movements, breaths, heartbeats-everything, except sin.

▪ **Take that which you find in Me** – What do we find in Jesus?

○ **All souls conceived in Jesus**

When Jesus was conceived in Mary's womb, all souls were also conceived in the immensity of His Will. As Jesus' life developed in the womb, the lives of all souls developed within Him. Vol 15, Dec 16, 1922

○ **All acts redone by Jesus in DW**

Jesus explained to Luisa that while He was on earth, during His Hidden Life He took into Himself all the thoughts, words, actions, everything about everyone from Adam to the last person to be created, and He redid everyone's life in His Divine Will. Vol 11, Aug 14, 1912

○ **There is a divine version of each one's life. Why?**

Because only the divine version can give God **perfect** glory – our human attempts at glorifying God, no matter how holy we become, would always fall short of absolute perfection.

Remember that everything is achieved by the Golden Rule:

WE DESIRE IT AND JESUS DOES ALL THE WORK!

STEP 2: Operate Together with Me

(Steps 1-3: Tony Hickey)

“Second, once you have filled yourself completely with Me, go out and operate together with me, as if you and I were one single thing, in such a way that if I move, you move as well; if I think, you think of the same thing of which I am thinking – in sum, whatever I do, you do as well.” Vol 8, Feb 9, 1908

STEP 3: Pray in the Name of Everyone and Return Glory to God

“Third, with these acts that we have done together, move away from Me from one instant and go into the midst of creatures, giving to all and to each one everything we have done together – that is, giving my divine life to each one and then quickly returning into Me to give Me, in the name of all, all the glory that they should give me, praying, excusing them, repairing, loving.”

- Since Jesus redid the lives of everyone (from Adam to the last created soul) in His Divine Will then we can also pray, work, speak, walk, eat, sleep, and enjoy ourselves etc., in the name of everyone.

Jesus said, “In my glances I took all the creatures' eyes, in my voice their words, in my movements theirs, in my hands their works, in my Heart their affections and desires, in my feet steps; and, making them like Mine, my Humanity satisfied the Father...” Vol 11, May 3, 1916

STEP 3: (Continued) Pray in the Name of Everyone

(Steps 1-3: Tony Hickey)

“Now, why can’t you also do it? **For he who loves, all is possible united to Me!** In my Will pray and bring before the Divine Majesty in your thoughts the thoughts of everyone; in your eyes the glances of everyone; in your words, movements, affections, and desires those of your brothers to make reparation for them; to obtain light, graces and love for them.”

“In my Will you will find yourself in Me and in everyone. You do my Life. You will pray with Me; and the Divine Father will be content with it, and all Heaven will say, ‘Who calls us upon the earth? Who is it that wants to embrace this Holy Will in **herself enclosing all of us together?**’ **And how much good you can obtain for the earth by making Heaven descend upon the earth.**”

Vol 11, May 3, 1916

- Therefore, finding everyone in Jesus, we can pray in the name of everyone, and Jesus promises that it will be as if everyone is praying in a divine way.
- If all humanity prays together in a human way, even this volume of prayer would not compare with just one prayer in the Divine Will because a divine prayer has infinite value, or merit, since it possesses the very dispositions and qualities of Jesus Himself because it is He who is doing all the work in His Divine Will.
- We can now pray the Rosary, for example, in the name of everyone; and keep Jesus company in the Blessed Sacrament in the name of everyone, etc., so that God is receiving a perfect return of love and glory from everyone simultaneously in everything we do – providing we desire it.

2. Purpose of Jesus’ Incarnation

Jesus Redeems Humanity and Restores the Kingdom of the Divine Will

- Since Adam withdrew from the Divine Will (due to original sin), he interrupted the formation of God’s Kingdom since humanity lost the ability to perform divine acts.
- In His incarnation, Jesus assumed a humanity like Adam.
When Jesus was conceived in Mary’s womb, all souls were also conceived in the immensity of His Will. As Jesus’ life developed in the womb, the lives of all souls developed within Him. (Paraphrased excerpt Vol 15, Dec 16th 1922)
- Throughout His earthly life, as Jesus created Divine acts in His daily routine, He also redid all the acts of humanity to make all human acts divine. Thus, Jesus created a divine version of each soul within Himself.

(from Tony Hickey)

- Jesus did not immediately offer the divine version of our lives to the Father, but suspended them within Himself, waiting for the day that you would come along – and after giving your ‘fiat’, your ‘yes’ to the Gift of the Divine Will – you would:

**Enter inside Me,
Transform yourself into Me,
Take that which you find in Me.**

Vol 8, Feb 9, 1908

- Now you can find in Jesus the divine version of your life suspended in him. Take it, make it your own (by the Golden Rule’) and offer it with Jesus to the Father. You can do this repeatedly, not only with your own life, but also repeatedly with everyone’s life. Jesus wants you to do this for everyone’s life.

Jesus says in Volume 21:

“This is why it was necessary for Me to take on human nature, to be able to enclose in it what the creature had lost and, through Me, give it back again. It was justice that My Divine Will have a human nature at Its disposal, that would oppose itself in nothing, so as to be able to lay Its Kingdom, once again, in the midst of creatures.

“Therefore, My coming upon earth was not for Redemption alone; on the contrary, the **primary purpose was to form the Kingdom of My Will within My Humanity**, in order to give It (Life in the Divine Will) back to creatures.”

Vol 21 March 16, 1927

3. Jesus Suffered in His Humanity

(Adapted from multiple sources)

- Scripture mentions only a minute fraction of what Jesus truly suffered during His Passion. It doesn’t mention any of the internal suffering endured from the moment of His conception until His Passion.
- The writings of Luisa in “The Hours of the Passion”, the “Christmas Novena” and “Virgin Mary and the Kingdom of the Divine Will” provide added detail.
- Throughout “The Hours of the Passion” and the “Christmas Novena”, Luisa’s writings present rounds of reparation of Jesus’ suffering in His Humanity.
- Jesus knew that the future physical suffering He would endure at the hands of his executioners during His Passions, would NOT satisfy the Father for all the sins of humanity.

- Divine Justice imposed additional internal suffering on Jesus that began at the moment of His conception and throughout His entire life in order to offer salvation for all.
- Jesus told Luisa that the physical pains suffered during His crucifixion was a shadow of the internal pain He endured in Mary's womb and in the Garden of Gethsemane.
- In the womb, He suffered a death for every single mortal sin ever committed for all time.
- **"IT IS FINISHED"** - Jesus' words on the cross as He tells the Father that He took on all suffering into Himself to cleanse and redeem all of humanity. He offers this suffering to His Father on behalf of mankind as expiation for our sins.
- However, Jesus holds on to all the Divine acts he has redone in His humanity.

4. Rounds: Prayers in the Divine Will

(from Tony Hickey)

There is much to be said about 'Rounds' in the Divine Will, but here is a beginning.

On one occasion, as Jesus was taking Luisa around the Universe, she could hear Jesus' voice saying 'I love you' on everything – every star, planet, moon, etc. While she was enjoying this experience, Jesus turned to her and said; "Luísa, where is your 'I love You' to Me?" Jesus explained that if she desired it (in the Divine Will) she could place her 'I love You' to Jesus on everything too, because Jesus would do it for her.

Rounds of Creation

- We are invited by Jesus to do the same; to place our 'I love You' to Jesus on every created being/thing (past, present, and future) for God's glory.

Rounds of Redemption

- We can place our 'I love You' on any of Jesus' suffering during His life on earth, from the moment He was conceived, His birth, private life, public life, Passion, death, resurrection and ascension to repair for sins of humanity. We offer it up to God the Father for His glory on behalf of all souls.

Rounds of Sanctification

- We place our 'I love You' on all the acts of the Holy Spirit (e.g. the sacraments, prayer, inspirations, graces, etc.), offering them up to God the Father for His glory on behalf of all souls.

■ **Fusing with Jesus: 'I Love You with Your Will'** (from Tony Hickey)

Luisa writes: Continuing in my usual state, Blessed Jesus let Himself be seen inside of me, but so fused with me that I would see His eyes in mine, His mouth in mine, and in the same way all his body. And while I was seeing Him like this, He said to me: "My daughter see how I fuse Myself and make Myself one sole thing with the soul who does my Will. I make Myself her own life, because my Will is inside and outside of her. You can say that It is like the air she breathes which gives life to everything in her. It is like light that makes everything be seen and understood; It is heart that beats, hands that work, feet that walk. And when the will unites with My Will, My Life is formed in the soul."

Afterwards, having received Communion, I was telling Jesus; "I love You," and He told me: "My daughter, do you really want to love Me? Say: **'Jesus, I love You with your Will.'**" And since my Will fills Heaven and earth, your love will surround me everywhere and your 'I love You' will reverberate high in the Heavens, and in the depths of the abysses; and so, if you want to say: **I adore You. I bless You. I praise You. I thank You.'** you will say I united in my Will, and you will fill the Heavens and earth with adorations, blessings, praises, and thanksgiving in my Will. These are simple things easy and immense.

Vol 11, Oct 2, 1913

LESSON 4 NOTES

Fusing

(Guided notes for Lesson 4 Presentation)

DEFINITION: The word *fusing* is a verb meaning to _____ yourself so completely to Jesus that you dissolve and become one with Him and Jesus unites Himself completely to us. It requires us to _____ our human will. Fusing is an act of our will.

To fuse in the Divine Will we should remember Jesus' instruction to forget _____ and to come to know our "_____". We say, "Jesus wants to pray so I pray with Him."

Jesus gave this lesson to Luisa in 3 Steps:

**STEP 1: Enter inside Me,
Transform yourself into Me,
Take that which you find in Me.**

- **Enter inside Me** - We first _____ to enter or FUSE into Jesus
- **Transform yourself into Me** - We transform ourselves into Him
He brings this about by the _____ RULE.
- **Take that which you find in Me**

Jesus explained to Luisa that while He was on earth, during His Hidden Life He took into Himself all the thoughts, words, actions, everything about everyone from Adam to the last person to be created, and He redid everyone's life in His Divine Will. In this way, there is a divine version of each one's life. Why? Because only the divine version can give God **perfect** glory – our human attempts at glorifying God, no matter how holy we become, would always fall short of absolute perfection.

Golden Rule: **WE _____ IT AND JESUS DOES ALL THE _____!**

**STEP 2: Operate Together with Me "as if you and I were one single thing,
in sum, whatever I do, you do as well" Vol 8, Feb 9, 1908**

STEP 3: Pray in the Name of Everyone and Return Glory to God

- Since Jesus redid the lives of everyone, we can also do those acts for everyone.
- Jesus promises that it will be as if everyone is praying in a divine way.
- Prayers are infinitely more powerful in DW

Purpose of Jesus' Incarnation

Redeem _____ and Restore _____ of the Divine Will

- Throughout His earthly life, Jesus created Divine acts in his daily routine, he also _____ all the acts of humanity to make all human acts divine.
- Thus, Jesus enclosed a _____ version of each soul within himself.

LIVING IN THE DIVINE WILL

Living in the Divine Will is the call to the creature to return to the order, to the place and to the purpose for which it was created by God.

It is the Will of the Holy Trinity as revealed by Jesus to the Italian mystic Luisa Piccarreta (1865 – 1947). It is the actualization of the promises made by Jesus when He prayed the Our Father 2000 years ago: ***“Our Father Who art in heaven, hallowed be Thy name; Thy kingdom come, Thy will be done on earth as it is heaven.”***

Before creation, was God. God is a trinity of persons – Father, Son and Holy Spirit. Their persons are distinct, yet they are a perfect unity of oneness in being, essence and will and because they share one Divine Will there is the most perfect unity, harmony, peace and delight in heaven. With the infinite power of this Divine Will, the three persons continually produce new and increasing joys of happiness and delight, hence creation. God can share His Divinity with His creatures and because of His limitless wisdom, power and love He feels compelled to share His Divinity with His very own children, who are the highlight of His creation. *“Everything is given to man, and all things actualize a relation with God; even the little flower of the field actualizes a relation between the Creator and the creature. This is why the Lord loves to be loved by the one whom He so much loves – man, His intelligent free creature, similar to Him.”* - Fr. Bernardino Giuseppe Bucci

The gift of the Divine Will is not only about doing God’s Will but, possessing God’s Will, letting God carry out His own will, Himself, within you, through your consent. In the fullness of time, it is possible one might, be able to say: It is no longer I but, Christ living in me. Speaking of this new era Jesus told Luisa:

“I am preparing the era of living in My Will. What past generations have not done and those in the future will not do, the good souls in this era of My Will, will do. They shall complete the love, the glory and the honor which all creation owes Me; and I will give them astonishing and unheard-of graces ... They will feel the life of My Will alive in them, its joy and happiness and its operative and creative power. They will feel in possession of My life ... All things will be converted into good for them; passions will lose their power to lead them into sin.”

Jesus told Luisa that while He was on earth during His hidden life, He took into Himself all the thoughts, words and actions of everyone from Adam to the last person to be created and He created a Divine form of everyone's life. Why? God takes delight in every aspect of His children. However, only the divinized form of each one's life can give the Father perfect love and glory as is His due. By Living in the Divine Will each one of us can find the Divine form of our own life and the lives of all those who have ever lived or will ever live suspended in Jesus and make that perfect offering to our almighty Father in heaven. In this way we can now offer the Holy Mass, the Rosary, the Divine Mercy Chaplet, our work, our play to God, not only on our own behalf but also on behalf of all souls past, present and to come which includes our families, extended families, our benefactors and especially those souls who have rejected God. The **Golden Rule** for living in The Divine Will is simply that we desire it and wish to live it and Jesus will do the rest.

“For he who loves Me, all is possible united to Me!”

“My delight, if you are to live in My Heart it will suit you to begin leading a more perfect way of life. I therefore desire from you ... Perfect uniformity to My Will, because you can never love Me perfectly unless you love Me with My own Will; or rather I say to you: that in loving Me with My own Will you will arrive at loving Me and your neighbor with My own Love.” Vol 2

A DEFINING MOMENT - GOD CALLS LUISA

Luisa Piccarreta was born on 23rd April 1865 in Corato in southern Italy, the Sunday after Easter, which is now known as Divine Mercy Sunday. Her mystical experiences began at an early age and one day, in fact, the Lord said to her: ***“I have gone round and round the world again and again, and I looked one by one at all my creatures to find the smallest one of all. Among so many I found you. Your littleness pleased me, and I chose you; I entrusted you to my angels so that they would care for you, not to make you great, but to preserve your littleness, and now I want to begin the great work of fulfilling my will. Nor will you feel any greater through this, indeed it is my will to make you even smaller, and you will continue to be the little daughter of the Divine Will”*** (Vol. 12, March 23, 1921). When she was 16, she saw Jesus carry His cross saying to her: ***“Soul Help me.”*** From that moment an insatiable longing to suffer for Jesus and for the salvation of souls was enkindled in Luisa. In 1899 Luisa was asked to put down in writing all that God's grace was working within her, which ended up as 36 volumes of The Book of Heaven.

Jesus told Luisa, that no other form of holiness of the past remotely resembles this gift of the Divine Will. Luisa, by operating within the Divine Will would open the door for other souls to enter. This was to be Luisa's unique and sublime mission. Jesus, said:

“I beg you my children to read very attentively these pages of The Book of Heaven that I am placing before you. If you do this you will feel the need to live in my will and I will be standing right beside you touching your mind and your heart so you will understand what you have read and want this gift of My Divine Fiat. I could not give you a greater grace, in these times (so stormy and such a headlong rush into evil), than that of making known that I want to give to you the great gift of the kingdom of the supreme fiat – the gift of the Divine Will. Who would be so ungrateful as to turn me away and not welcome the gift I am giving you.”

Her cause for beatification and canonization was opened in November 1994 and was

completed in 2010 with a positive judgement. While Luisa is deemed by the church to have lived a life of virtue to a heroic degree, potential first-class miracles are needed and some claims being investigated now. Saint Pio of Pietrelcina referred to Luisa as ‘the Angel in Corato’ and that in the future she would be seen as the greatest saint of all time. Archbishop Guiseppe Carata Archbishop Emeritus & Co- Founder of the Canonically approved Association Luisa Piccarreta writes this: *“...The theology of her spirituality brings confusion to the intelligent, wonder and hope to the simple, and now brings a depth of understanding to the Church which, as I have always held, could very well be a new heaven and a*

new earth for all the faithful. The praises which I offer do not come from having served as rector of our pontifical seminary for fifteen years, but from many years of meditating our Lord’s own prayer – let Your Will be done on earth as it is in heaven!”

“For he who loves Me, all is possible united to Me!”

The Saints and the Gift of the Divine Will (Tony Hickey)

A frequently asked question is: “But didn’t the saints possess the Gift of the Divine Will?” The answer is ‘No’. Until now, the saints have been able only to align themselves to God’s Will – i.e. as they become more aware of what God wanted them to do and how He wanted them to be in their daily lives, they correspond as best they could to His Will.

However, the gift of the Divine Will is not only about doing God’s Will, but possessing God’s Will, i.e. letting God carry out His own Will, Himself, within you through your consent. This is what Adam was doing up until the Fall, and what Jesus did in His Humanity throughout His whole life while on earth. Jesus points out to Luisa, who received the Gift of the Divine Will on Sept. 8, 1889, marks the beginning of the era of the Kingdom of the Divine Will on Earth. This Gift is now available to everyone.

How this Gift was Prophesied in Scripture (Tony Hickey)

The first biblical prophecy can be found in Gen. 3:15, spoken by God to Satan. God Prophesied the coming of a future Redeemer, the Messiah. The Jews prayed for the fulfillment of this prophecy and so Jesus came. Before leaving the earth, Jesus gave another prophecy which He placed in the one prayer that He taught us: The Our Father.

The prophecy is: “Thy Kingdom come; Thy Will be done on earth as it is Heaven.” In other words, just as the saints in Heaven possess the Divine Will with which to perfectly glorify God and correspond perfectly to His love, so have the Christian generations (on earth) been praying for this same Will to be enjoyed on earth as it is in Heaven.

Thus, we have been praying for a return of our original capacity to perfectly correspond to our Creator. This is why Jesus subtitled these writings: “The Recall of the Creature to the Order, Place, and Purpose for Which it was Created by God.”

The Trinity and The Divine Will (Tony Hickey)

The Three Persons of the Trinity – Father, Son, and Holy Spirit – do not each possess Their own separate Wills consenting to one another’s wishes. Rather, the Three Persons of the Trinity share the same one Divine Will. Therefore, there can only be agreement, peace, harmony etc. between Them. By the powers of the One Divine Will the Father is able to direct all His infinite love to His Son, and by the same powers of the same One Divine Will the Son is able to perfectly return this same infinite love to the Father.

It was this same one Divine Will which Adam originally possessed. Thus, Adam was able to correspond to God’s love as was Jesus Himself. One could say that the uncreated Son (Jesus) and the created son (Adam) could perfectly correspond to the father by the powers of the same one Divine Will which they both possessed.

Jesus’ Prayer in John 17 (Tony Hickey)

This prayer of Jesus is a threefold prayer. He prays first to Himself, then for His disciples, and finally for all future disciples. It is in the final part of His prayer that Jesus makes this request of the Father:

“That they may be one with Me, as I, Father, and You, are one”

As we have learned the Trinity are not just good friends agreeing with one another but are one in the Divine Will. Thus, for each disciple to be one with Jesus in the same way as Jesus is one with the Father, would require the disciples to also possess the same one Divine Will as Jesus and the Father. And this is what Jesus prayed for the night before He died.

Guidelines to Praying in the Divine Will

Prayer is an opening up of the mind and heart to God. This prayer card is intended to be a beginner's guide to praying in the Divine Will, to sow a seed in opening your mind, heart and soul to desiring to live in the Divine Will. There is no set formula, just guidelines that embrace all of the prayers, practices and charisms of the Holy Catholic Church.

"... you don't need paths, nor doors, nor keys to enter into My Divine Will... To enter creature's need but remove the pebble of their own will... A soul has but to desire it and all is done, my Will assumes all the work..." Feb 16, 1921

The most important part is to be consistent and never give up and soon you will experience a gentle pulling-in effect. Get into the practice of going to Reconciliation once a month and if possible do the first Friday's and first Saturday's each month. If there is Adoration of the Blessed Sacrament in your church or nearby commit to watching for an hour at a time that suits you. Also, consider joining a prayer group. In the event of sin, simply express sorrow and ask to be reinstated in the Divine Will, which Jesus has promised to do immediately. In the early days keep it simple and you will find that the ease and depth of your awareness will develop slowly. One effective method as you wake up is to take into your mind the image of Jesus you most love or the image of Jesus as depicted in the Divine Mercy Chaplet. Pull on that picture as if it is a garment or your clothing for the day as described in the words of St. Paul (Rom 13:14) "Put on the Lord Jesus Christ." When you poke your head through feel Jesus enter your heart, see through His eyes and hear from His ears, feel His breath inhaling and exhaling, feel His heartbeat. United in the Divine Will, now focus on the Holy Trinity, centered on the Father, and pray: *Here I am Lord. I have come to do Your Will.*

"In my Will, pray and bring before the Divine Majesty the thoughts of all within your thoughts; the glances of all in your eyes; in your words, movements, affections and desires, those of your brothers, in order to repair them and plead Light, Grace and Love for them. In my Will you will find yourself in Me and in all, you will live my Life, and will pray with Me. The Divine Father will be happy, and the whole of Heaven will say: 'Who is calling us from earth? Who is the one who wants to compress this Holy Will within herself, enclosing all of us together?' And how much good the earth can obtain, making Heaven descend upon earth!" Vol. 11 – May 3, 1916

Prevenient Act:

At the start of the day when you get up, make your commitment to living your day in the Divine Will using the prayer card as your guide.

Holy Mass:

When possible go to daily Mass. During the Mass, picture all the angels and saints flooding into the church behind Our Lady (who is always present), full of joy, singing and praising God, full of the anticipation of seeing Jesus in His humility fully present in this tiny

host, consecrated by His priest in this unique sacrament, the great miracle and centre point of our Catholic Faith:

Father we come to offer You this body and blood of Your Divine Son Jesus Christ, this Holy Eucharist, with the whole of creation hidden in there, held in the tabernacle of Your Immaculate Heart, dear Mother, surrounded by Your great love Holy Spirit we pray: All honour and glory is yours almighty Father now and forever. Amen.

We ask our guardian angels to please join the offertory procession and lay at the feet of Mary all that is in our hearts and souls, all who have asked us to pray for them and all who have prayed for us and the conversion of the world:

Holy Mother take all into your Immaculate Heart, bless them and at the consecration place everything into the Sacred Heart of Jesus and not just in this Mass but, every Mass said throughout the world this day and not just that but, every Mass said from the last supper to the end of time. As we receive the Eucharist in the Divine Will we pray in our hearts: My Lord and my God. Amen.

“For faithful love is what pleases me, not sacrifice.”

Current Act:

If the Preventive Act is the daily renewal of our desire to make all of our actions flow in God’s Will, the Current Act is what we continue to make throughout the day to remain united to God’s Will. In the following passage, Jesus gives a beautiful method for making the Current Act:

“In order for the soul to be able to forget herself, everything she does or has to do must be done as if I wanted to do it in her. If she prays, she should say ‘It is Jesus Who wants to pray, and I pray together with Him.’ If she works: ‘It is Jesus Who wants to work; it is Jesus Who wants to walk; Who wants to get up; Who wants to enjoy Himself.’ And it should be like that in everything for the rest of her life, excluding errors. Only in this manner is the soul able to forget herself. For not only will she do everything because I want it; but, if she wants to do it, she will need Me.” Vol. 11 - August 14, 1912

Making The Rounds:

Every single thing in God’s creation is an ‘I love you’ from God to us, His children. Every blade of grass, every snowflake that falls, every twinkle of a star is an ‘I love you’ from the Creator to His beloved creatures. We return that love by consciously saying from our hearts to everything we encounter throughout our day ‘I love you too’. Allow the images of everyone - mother, father, spouse, each of your children, grandchildren, your friends - flash through your mind, saying, ‘I love you too’. Now think and observe everything around you. A bird sings, reply ‘I love you too’, the sun shines, the rain falls - give them all a heartfelt, ‘I love you too’ and experience how your day, your life, can go from negative to positive.

Heart Murmurs:

Day and night (even in sleep) identify them and cherish them. In the beginning consciously make them happen until eventually they will just be there:

*Jesus, Jesus, Jesus; Come Holy Spirit, Come Holy Spirit, Come Holy Spirit;
 Jesus I trust in You, Jesus I trust in You, Jesus I trust in You;
 I Love You Jesus, I Love You Jesus, I Love You Jesus;
 Blessed be Jesus, Mary and Joseph; Thank You Jesus;
 Not my will but Your Will Lord; All honor and glory is Yours almighty Father now and forever. Amen.*

End of the Day:

Imagine yourself praying like the child Jesus would have done on the lap of His Mother Mary and talk to Her. Review your day, recall the events, untangle the knots and speak to your Mother of all that has happened. Ask for her guidance and intercession. Thank God for all the miracles and blessings Jesus made you aware of that day. Ask God's blessings on all his children using the prayer card.

Queen and Mother of the Kingdom of the Divine Will:

In the Book of Heaven, Jesus proclaimed our eternal mother Mary, Queen and Mother of the Kingdom of the Divine Will. Therefore, it is beneficial in the morning and at the end of the day, to ask Our Lady to guide us in giving honor and glory to the Father as is His due, to enlighten us more and more and with the help of The Holy Spirit, to strengthen us in our walk with Christ and deepen our commitment to the intercessory nature of living in the Divine Will.

“For faithful love is what pleases me, not sacrifice.”

The Prayer Card

Who will be My hands and feet?

Who will be My voice to speak?

Life, peace and love in every street.

-Lord, am I the one You seek?

The Preventive Act: Jesus instructed Luisa to recite this prayer each morning.

“O Immaculate Heart of Mary, Mother and Queen of the Divine Will, I entreat you, by the infinite merits of the Sacred Heart of Jesus, and by the graces God has granted to you since your Immaculate Conception, the grace of never going astray.

Most Sacred Heart of Jesus, I am a poor and unworthy sinner, and I beg of you the grace to allow our Mother and Luisa to form in me the divine acts you purchased for me and for everyone. These acts are the most precious of all, for they carry the Eternal Power of your Fiat and they await my “Yes, your Will be done” (Fiat Voluntas Tua).

So, I implore you, Jesus, Mary and Luisa to accompany me as I now pray:

I am nothing and God is all, come Divine Will. Come heavenly Father to beat in my heart and move in my Will; come beloved Son to flow in my blood and think in my intellect; come Holy Spirit to breath my lungs and recall in my memory. I fuse myself in the Divine Will and place my I love You, I adore You and I bless You God in the Fiats of Creation. With my I love You my soul bilocates in the creations of the heavens and the earth: I love You in the stars, in the sun, in the moon and in the skies; I love You in the earth, in the waters and in every living creature my Father created out of love for me, so that I may return love for love.

I now enter into Jesus’ Most Holy Humanity that embraces all acts. I place my I adore You Jesus in your every breath, heartbeat, thought, word and step. I adore You in the sermons of your public life, in the miracles you performed, in the Sacraments you instituted and in the most intimate fibers of your Heart.

I bless You Jesus in your every tear, blow, wound, thorn and in each drop of Blood that unleashed light for the life of every human. I bless You in all your prayers, reparations, offerings, and in each of the interior acts and pains you suffered up to your last breath on the Cross. I enclose your Life and all your acts, Jesus, with my I love You, I adore You and I bless You.

I now enter into the acts of my Mother Mary and of Luisa. I place my I thank you in Mary and Luisa’s every thought, word and action. I thank you in the embraced joys and sorrows of Jesus’ Redemption and of the Holy Spirit’s Sanctification. Fused in your acts I make my I thank You and I bless You flow in the relations of every creature to fill their acts with light and life: to fill the acts of Adam and Eve; of the patriarchs and prophets; of the souls of the past, present and future; of the holy souls in purgatory; of the holy angels and saints.

I now make these acts my own, and I offer them to You, my tender and loving Father. May they increase the glory of your children, and may they glorify, satisfy and honor You on their behalf. Let us now begin our day with our Divine Acts fused together. Thank you Most Holy Trinity for enabling me to enter into union with You by means of prayer. May Your Kingdom come, and Your Will be done on earth as it is in Heaven.” Fiat!

Brief Preventive Act – Used Throughout the Day

Dear Jesus, I love You, I adore You, I praise You, I thank You. I beg pardon and make reparation for all sins, all in the name of every human creature who will exist throughout time. I also wish to implore in each of these acts, the quick and complete triumph of the Divine Will on earth and its quick and complete triumph in me.

O Jesus, through with and in the Immaculate Heart of Mary, I consecrate and give my will to You in exchange for Your Divine Will. I truly want Your Will to generate Its Divine Life in me this day—to think in all my thoughts, to speak in all my words and operate in all my actions for the glory of our Heavenly Father and to fulfill the purpose of Creation.

Abandoned in Your Arms, my Jesus, I invite all the angels and saints to join in all that the Divine Will does in me today, and I am confident that You will not fail to give me the grace to be always faithful and attentive to Your action within me so that my own will dare not interfere with Your freedom to live Your Divine Life in me.

Oh, my Jesus, I love You with Your Own Will and thank You profoundly for the knowledge and Gift of the Divine Will. Amen.

The Command Prayer

Abba Father, in the name of Jesus, in unity with the Holy Spirit, under the Mantle of Mary, with all the angels and saints, through the intercession of the Servant of God, Luisa Piccarreta, take my humble prayer and make it Your Command, that all will be accomplished and completed in your most Holy Will. We believe, we receive. Fiat! Amen

“Start of the Day” Prayers

In the Divine Will

With the Divine Will

Through the Divine Will

On behalf of everyone who has ever lived or will ever live, We pray: Our Father Who art in heaven, hallowed be Thy name; Thy kingdom come, Thy will be done, on earth as it is in heaven.

O adorable and Divine Will behold me here before the immensity of Your Light; may Your eternal Goodness open to me the door so that I may enter and shape my entire life in Your Divine Will.

The Creed • Act of Contrition • Morning Offering • Angel of God

Consecration to the Sacred Heart of Jesus: “Jesus, we know that You are merciful and that You have offered Your heart for us. It is crowned with thorns and with our sins. We know that You implore us constantly so that we do not go astray. Jesus, remember us when we are in sin. By means of Your Sacred Heart make all souls love one another. Make hate disappear from all mankind, show us Your love. We all love You and want You to protect us with Your Shepherd’s Heart and free us from every sin. Jesus enter into every heart! Knock at the door of every heart. Be patient and never desist. We are still closed because we have not understood Your love. Knock continuously. O Good Jesus, open our hearts to You, as we recall Your Passion and death for us.” Amen.

Almighty Father: I desire to live this day, on behalf of everyone who has ever lived or will ever live, especially all who fail in their duty rightly due to You. For and in their stead, I offer all honor and glory to You almighty Father now and forever. Amen. I further commit that during this day I may become a more thoughtful person, a more prayerful person, a more generous and kindlier person. Let me do nothing this day that will hurt another; rather, let me make life more pleasant for those I meet and talk to today. Lord God, it is Your Will that we should love even those who speak or act against us. Help us to observe the commandments of the new law, returning good for evil and learning to forgive as Your Son forgave us (we who crucified Him) for truly, when we achieve forgiveness, they have done nothing more than grow us and thereby become our treasured benefactors.

Most Holy Spirit: Help me to be Jesus to all I meet this day. Help me to spread all God’s Graces wherever I go, wherever You send me. For each created thing I come to love You, to praise You, to bless You and to thank You. In the sanctity of Your Will, I come to substitute for all and for each creature and even for the lost souls therefore, I want to make reparation to You for everyone and for each offense. I want to make good for all and love You for all.

Here I am Lord, I have come to do Your Will.

Power Of Jesus: Heal and cure (*now mention your intention*). From the core of our being, cover us with Your precious Blood. Deliver us from all evil. Fill us with Your Holy Spirit. Wash us in the blood and water that comes from Your side and make us a new creation. Amen.

Come Holy Spirit

Jesus, We Trust In You

Come Holy Spirit

• Jesus, We Trust In You

• Jesus, We Trust In You

All honor and glory to You almighty Father now and forever. Amen.

Rounds To Begin the New Day

Most Holy Trinity, I thank and praise You for this new day, and setting my will in Yours, I affirm I want only to live and act in your Will. Thus, making my "*Prevenient Act*," I set all my acts of the day in order in You. (Vol. 14: May 27, 1922)

Good morning **Blessed Mother**, I love You; come, help me offer my first act of the day as an act of love in the Divine Will to God.

Good morning my **Jesus**, I come to make my first act of the day, an act of love in your Divine Will. I immerse myself all in your Holy Will and embrace its immensity to multiply my act to the infinite in your Eternal Act.

First, I **make my act diffuse** in all the thoughts, in the glances, in the words, in the movements, in the steps, in the heartbeats, in each breath and in every act of every human being from Adam to the last creatures who will live upon the earth. I offer this act to You our Creator.

Then, since **all things in Creation** were made by God for the Love of the creature, I take this Love in the Sun, the stars, the earth, the sea, the birds, the flowers and all the other things in Creation, and making it mine, I offer it as so many other acts of homage, of love, of blessings and of praise.

And going up in Paradise I make my rounds for **all the Angels and for all the Saints**; I unite myself to all the Heavenly Court, and for each and every one I give an act of love to You.

Next, I take all that which dear **Luisa** has done, who "*has done good to everyone and has loved everyone and has operated in a universal manner for God and for everyone*" (Vol. 19: Jun. 26, 1926). I take it as though mine, as well as all that has been and will be done by those who live in the Divine Will and work in this same universal manner, and offer it to You as a still more beautiful act of love.

Now I draw near to the **Blessed Virgin**, my dear Mother. She being ready to make a gift to me of all her merits; with the confidence of a little child, I take all she has done from the first instant of her Immaculate Conception to her last breath; and as if all were mine I offer it to You, O God, as the most beautiful act.

And then I go to the **Eternal Word made Man**, and ask Him to make me partake in all his Acts: his Conception, his Birth, his escape into Egypt, his thirty years of Hidden Life, his years of Public Life, his Passion, his Death, his Resurrection and Ascension to Heaven. I make it all mine and offer it to You, O Sacrosanct Trinity.

And thus as a poor miserable creature do I **offer You** an act most complete and most holy, since I offer nothing of my own, but rather return to You all the glory from that which You have done. Amen.

Consecration to the Divine Will

O adorable and Divine Will behold me here before the immensity of Your Light; may Your eternal Goodness open to me the door so that I may enter and shape my entire life in Your Divine Will. Therefore, O adorable Will, prostrate before Your Light, I, the least of all creatures, place myself among the sons and daughters of Your supreme FIAT.

Prostrate in my nothingness, I invoke Your Light and beg that It cover me and obscure all that does not pertain to Your Divine Will. May It be my Life, the center of my intelligence, the enrapturer of my heart of my whole being. I do not want the human will to have life in this heart any longer. I will cast it away from me and thus form the new Eden of peace, of happiness and of love. Within it I shall be always happy. I shall have a singular strength and a holiness that sanctifies all things and leads to God.

Here prostrate, I invoke the help of the most Holy Trinity, that They permit me to live in the cloister of the Divine Will and thus return me to the original order of creation, just as the creature was created.

Heavenly Mother, Sovereign and Queen of the Divine Fiat, take my hand and introduce me into the Light of the Divine Will. Be my guide, most tender Mother, and teach me to return to the order, to the place and to the purpose for which I was created by God. Heavenly Mother, I consecrate my whole being to Your Immaculate Heart. Teach me the doctrine of the Divine Will; I will listen most attentively to your lessons. Cover me with Your mantle so that the infernal serpent dare not penetrate into this sacred Eden to entice me and cause me to fall into the maze of the human will.

Heart of my greatest Good, Jesus, give me the flame of Your Love to burn, consume and feed me; to form in me the Life of the Divine Will.

Saint Joseph, be my protector, the guardian of my heart; keep the keys of my will in your hands. Guard my heart jealously; never give it to me again so that I may be sure never to leave the Will of God. My Guardian Angel, protect me; defend me; help me in everything so that my Eden may flourish and be the instrument that draws all men into the Kingdom of the Divine Will.

End of the Day Prayers

In the Divine Will

With the Divine Will

Through the Divine Will

On behalf of everyone who has ever lived or will ever live, We pray: Our Father Who art in heaven, hallowed be Thy name; Thy kingdom come, Thy will be done, on earth as it is in heaven.

I do not want the human will to have life in this heart any longer. I will cast it away from me and thus form the new Eden of peace, of happiness and of love

The Creed

• Act of Contrition • Jesus, Mary and Joseph • Angel of God

Consecration to the Immaculate Heart of Mary: “O Immaculate Heart of Mary, ardent with Your goodness, show Your love towards us. May the flame of Your heart O Mary, descend on all mankind. We love You so. Impress true love in our hearts so that we have a continuous desire for You. O Mary, humble and meek of heart, remember us when we are in sin. You know that all people sin. Give us, by means of your Immaculate Heart, spiritual health. Let us always see the goodness of Your maternal heart and may we be converted by means of the flame of Your heart.” Amen.

Holy Mother: Kneeling at Your feet O Mother Mary, thinking of all the love and many gifts bestowed on me this day and throughout my life. In humble return of love, I commit through Your intercession, all my thoughts, words, actions, pains and sufferings to Your Divine Son Jesus Christ as a balm for my sins and the sins of all mankind. In turn, give me the grace of obeying His every direction to the fullest extent.

Most Holy Trinity: Father, Son and Holy Spirit. I enter into Your Sacred Hearts and take what I find there: love, mercy, forgiveness, healing, faith, hope, charity, discernment, purity, truth, trust, prudence, obedience, humility, knowledge, wisdom, holiness and I fuse myself to the Divine Will. Adorable Trinity I desire to co-operate in the deliverance of the souls in Purgatory and to testify my devotion to the Blessed Virgin Mary, I cede and renounce on behalf of those holy souls all the satisfactory part of my works and all the suffrages which may be given to me collating them entirely into the hands of the most Blessed Virgin, that she may apply them to those souls of the faithful departed which she desires to deliver from their sufferings. Seal my reparation with your blessings and grant that in every act that I do, it be repeated, multiplied and be a continual act of reparation on behalf of everyone who has ever lived or will ever live.

Here I am Lord, I have come to do Your Will.

Almighty Father: On behalf of all mankind, all who are indifferent, all who reject You and all who hurt You, I commit to You, my life, my work, my heart, my soul, my mind and body, my entire Will – all that I have and possess; You gave it all to me. To You O Lord I return it. Dispose of it according to Your Will and give me only Your love for this is everything. Amen.

**Come Holy Spirit
We Trust In You**

**Come Holy Spirit
• Jesus, We Trust In You**

**Come Holy Spirit Jesus,
• Jesus, We Trust In You**

I'll honor and glory to You almighty Father now and forever. Amen.

Closing Prayer

Prayer Reflections of the FOL Unity Prayer

My Adorable Jesus: May our feet journey together. “On this journey through life with all its many trials, may we walk it together hand in hand I will help you with each and every step along the way. Trust Me.”

My Adorable Jesus: May our hands gather in unity. “With your help and prayers of reparation, we will together gather in the crop of souls for Heaven using our hands both folded in prayer and at work in your Daily duties. When offered up in unity it becomes a powerful prayer; “thy will be done.”

My Adorable Jesus: May our hearts beat in unison. “This is an invitation to a more intimate relationship with Me your God, like two lovers in love; their hearts in unison are set on doing good for the other. May you begin to see the great good I desire to give to you.

My Adorable Jesus: May our souls be in harmony. “This is my great desire to be one with souls as I am one with my Father and the Holy Spirit. There is no discontent, no disagreement but only perfect harmony, the blending of our three wills into one.”

My Adorable Jesus: May our thoughts be as one. “When you know another person so well you find yourself thinking and saying the same thing at the same time. This happens only after years of shared experiences and in intimate conversations. For us, you and I, this will happen in mental prayer.”

My Adorable Jesus: May our ears listen to the silence together. “This experience is meant to happen during your mental prayer, in the stillness of your soul. In perfect quiet, allowing me to work in you with an expectation that I desire to purify you and make you into a reflection of me that only you can be. No one else can reflect this part of me to another. Only you were created to reflect this light to the world.”

My Adorable Jesus: May our glances profoundly penetrate each other. “I greatly desire mystical union with each soul who lays down his will, his very life in total surrender to follow me. I want you to experience the total security and unity of two persons deeply in love in a committed relationship, a covenant of Eternal love as we gaze lovingly into each other’s eyes as we say our vows together. May my loving gaze into your eyes bring you deep inner healing and total peace knowing that you are loved unconditionally for who you are.”

My Adorable Jesus: May our lips pray together to gain mercy from the Eternal Father. “As we become of one heart and one mind in mental prayer, we together yearn to save lost souls and to call them out of darkness into the light of truth; to ultimately bring them to their eternal home in Heaven, for the glory of the Eternal Father. We ask his mercy be given to them to turn back to God. We ask also for his mercy to help them be open to receiving his many graces; to forgive themselves as well as others.” **AMEN FIAT!**

A MINISTRY GUIDE:

DISCIPLESHIP IN THE DIVINE WILL

The purpose of this book is to introduce others to the Gift of Living in the Divine Will in five basic lessons. We are called by Jesus to be His disciples in the Divine Will, His remnant army. After the Warning, there will be thousands of people that will need shepherding. This Ministry Guide provides the means to enable cenacle members to lead others to learn about and understand the Gift of the Divine Will, by sharing these lessons with individuals or in larger groups.

The five lessons address: (1) What is the gift of the Divine Will, (2) How to receive and grow in this gift, (3) Explaining and practicing Acts and Rounds, (4) Fusing with Jesus, and (5) Highlighting important resources found on Mary's Hill website. Each lesson has a corresponding worksheet with guided outlined notes to allow participants to fill-in key information that is being presented.
