

## Prayer to prepare for the DW Consecration through Mary

This is a general prayer to prepare for the Consecration of the human will to the Divine Will through Mary. One may omit what does not apply to them and add, in their own words, what is specific to their lives. The Holy Spirit may guide us to focus on an aspect or a revealed area that needs surrender or a sin that needs Confession.

### Surrender, Abandonment and Repentance

O Most Holy Trinity,  
I fuse myself in your will and your love through the humanity of my Jesus, in union with my mother Mary.

Prostrate before Your Throne, in my nothingness, I lay and surrender all my being, uniquely made in the image and likeness of God in my unique character, look & figure, sexuality, gifts & talents, and racial & cultural background.

I surrender all my life, from conception to the present moment and the future, living out the unique beauty, truth, virtues, love, qualities, and strength God has given me in my Jesus Christ. I surrender my joys, sorrows and the glorious works your grace worked in me, Lord. I surrender Your loving work of purifying, illuminating, sanctifying, and uniting me with You.

I surrender my human will, my intellect, my memory, my soul, my body, my senses, my mind, and my spirit.

I surrender my heartbeats, blood circulation, breathing, gazes, hearing, thoughts, acts, words, movements, steps, works, feelings, emotions, moods, inclinations, habits, experiences, intentions, desires, prayers, my faith, spiritual journey, my family, friends, and everything I materially and spiritually have and possess.

I surrender my sufferings, my sorrows, my sickness, my fragile and tired body, my fatigued mind, my broken heart, my anguished spirit, my mental, psychological and spiritual wounds, my brokenness, my loneliness, my weakness, my struggles, my failures, faults, and vices. I humbly expose to You, Lord my hidden and concealed wounds and sins.

Placing myself in the arms of my Blessed Mother Mary, with and through her, I repent of my sins and earnestly desire never to commit the smallest deliberate venial sin. Encouraged by her, in deepest humility with a contrite heart, I say:

Lord, I am truly sorry for wounding You with my sins "for the sole reason that we have offended You, Highest Good, who deserve love, while we have dared to give You offences." (Volume 4, April 4, 1902)

### Sealing and Glazing my imperfect life with the perfect Divine Life which Jesus won for me

My mother Mary, encloses my entire surrendered being, surrendered life, thoughts, words and acts in Jesus' humanity. He, and you with Him, redid my wrongs, made up for my omissions, sanctified and divinised all my life. Sweet Mother, together let us take the redone, perfected and divinised version of my life, won by Jesus Christ in His Mystery of Recapitulation (CCC 518, Vol 8 - Feb 9, 1908). With this Divine version of my life, I seal and glaze my broken, sinful and imperfect human life.

With you, and through the intercession of the little daughter of the Divine Will, Luisa Piccarreta, and St Joseph, I seal and glaze: *my conception, my time in the womb, my birth, my infant years, my childhood, my teenage years, my young adulthood, my adult life, my old age.*

*My relationship with parents, siblings, family, spouse, children and grandchildren, friends, colleagues, neighbours and people in my life.*

*I seal and glaze my study years, work and professional life, vocation, responsibilities and commitments. In God's Eternal Act, I also seal and glaze the future up to my last breath.*

*Eternal Father, through and with Jesus and Mary, in the Holy Spirit, I offer you the complete divine version of my entire redone, perfected and divinised life with all the perfection of love and filled voids of love in my life.*

### Consecration to Mary and Consecration to the Divine Will

O Most Holy Mother, to You I consecrate my whole being, all my life, all my thoughts, words, acts, all my family, absolutely everything. I am **TOTALLY YOURS (Totus Tuus)**. I surrender and sacrifice my human will to you. Tie it, dearest Mother, together with Yours, to the foot of the Divine Throne of God, for my entire life. Obtain the greatest gift of living and growing in the Divine Will. Keep me always in the refuge of Your Immaculate Heart and Sacred Heart of Jesus.

Most Holy Trinity,

*In Jesus, through Mary, I sacrifice, consecrate and bind my human will to Your Divine Will with the firm resolution of never giving life to my human will. I desire Your will with all my heart. Dispose and humble me to receive and journey deeper in this gift. May I live more perfectly in it and reaching the centre to live in the full, perfect and complete state. Allow my soul to be filled with Your love and Your Divine Qualities as much as possible for a creature, as You intended in creating me. Amen. Fiat!*
